VENDOR & EXHIBITOR SPACES

Vendor spaces are approximately 10'x20' at a cost of \$50 per space. We can accommodate larger vendor trailers, food trucks, and even fire apparatus. All vendor spaces are outside. You will need to provide your own tents, tables, chairs, etc. Electrical hookups are not available, so

Wildwood Carvings of Littleton, NC donated a carved Dalmatian sculpture to be raffled.

The **R.E.D.S. Team** from Wake Co., NC displays their "confined space training simulator" and rope rigging system.

vendors will need to provide their own quiet generators for power, if needed.

For non-profit organizations that wish to have a space for a display or an exhibit, there is no charge.

DONATIONS

Cash contributions, gifts of goods, and donations of materials and services help to make this event more exciting and fun for the junior firefighters.

We are seeking items to be used as door prizes and items to be raffled. Examples of items are: fire & emergency services related items (flashlights, hats, helmets, pocket knives, tools, T-shirts, etc.) and items appropriate for teenagers (electronics, games, gift cards, music, sporting equipment, etc.). We thank you in advance for any donations.

TEAM WELCOME BAGS

Every registered team receives a **Team Welcome Bag** which contains event information and items from Sponsors, Vendors, and local merchants. We encourage everyone to contribute items for the bags or to donate the bags themselves. Some items from previous years include balloons, catalogs, flyers, hats, magazines, pens & pencils, shirts, and other freebies. We assemble enough bags for 30 teams (there are on average 6 junior firefighters per team plus advisors and chaperones). If you wish to contribute to the bags, we must have your items prior to **Friday, March 25, 2022**. Items can be shipped to c/o John W. Franks, 205 Brehon Street, Warrenton, NC 27589.

Attendees enjoy Smokey Bear and the Chick-Fil-A Fire Chief Cow.

Junior firefighters battle head-to-head in the fan-favorite Water Tug-O-War event.
